

MEMORANDUM

TO: Members, Utah State Board of Education

FROM: Dr. Patti Harrington
State Superintendent of Public Instruction

DATE: March 6, 2009

ACTION: State Charter School Board Scoring Rubric

Background: The State Charter School Board prepared a scoring rubric for its use when determining which new school applicants and existing school amendments to recommend to the State Board of Education. This tool will be used in conjunction with the quality of the application itself, input from staff, and possibly other items board members wish to discuss and consider.

Anticipated Action: The State Board of Education will accept the scoring rubric from the State Charter School Board.
